In re: Aqueous Film-Forming Foams Products Liability Litigation, MDL No. 2:18-mn-02873
This Document relates to: *City of Camden, et al., v. Amerex Corporation, et al.*, No. 2:26-cv-02798-RMG

UNITED STATES DISTRICT COURT, DISTRICT OF SOUTH CAROLINA, CHARLESTON DIVISION

TO THE SETTLEMENT CLASS: Every Active Public Water System in the United States of America that (i) has one or more Impacted Water Sources as of July 31, 2026, or (ii) was required to test for certain PFAS under UCMR-5, or otherwise serves more than 3,300 people according to SDWIS.

All capitalized terms not otherwise defined herein shall have the meanings set forth in the Settlement Agreement, available for review at **www.PFASWaterSettlement.com**.

Active Public Water System means a Public Water System whose activity-status field in SDWIS states that the system is "Active."

Impacted Water Source means a Water Source that has a Qualifying Test Result showing a Measurable Concentration of PFAS.

Public Water System means a system for the provision to the public of water for human consumption through pipes or other constructed conveyances, if such system has at least fifteen (15) service connections or regularly serves an average of at least twenty-five (25) individuals daily at least sixty (60) days out of the year, consistent with the use of that term in the Safe Drinking Water Act 42 U.S.C § 300f(4)(A) and 40 C.F.R. Part 141. The term "Public Water System" includes (i) any collection, treatment, storage, and distribution facilities under control of the operator of such system and used primarily in connection with such system, and (ii) any collection or pretreatment storage facilities not under such control which are used primarily in connection with such system. Solely for purposes of this Settlement Agreement, the term "Public Water System" refers to a Community Water System of any size or a Non-Transient Non-Community Water System that serves more than 3,300 people, according to SDWIS, the owner and/or operator of such Public Water Systems, or any Person (but not any financing or lending institution) that has legal authority or responsibility (by statute, regulation, other law, or contract) to fund or incur financial obligations for the design, engineering, installation, operation, or maintenance of any facility or equipment that treats, filters, remediates, or manages water that has entered or may enter Drinking Water or any Public Water System; but does not refer to a Non-Transient Non-Community Water System that serves 3,300 or fewer people, according to SDWIS, or to a Transient Non-Community Water System of any size. It is the intention of this Agreement that the definition of "Public Water System" be as broad, expansive, and inclusive as possible.

What Is the Purpose of this Notice? The purpose of this Notice is (i) to advise you of a proposed settlement of certain Claims against Amerex Corporation ("Amerex" or "Defendant") in the United States District Court for the District of South Carolina (the "Court"); (ii) to summarize your rights in connection with the Settlement; and (iii) to inform you of a Court hearing to consider whether to grant final approval of the Settlement (the "Final Fairness Hearing"), to be held on **January 15, 2027** at **10 a.m.**, before the Honorable Richard M. Regardless of whether you file a Claims Form or receive any distribution under the Settlement, unless you timely opt out as described below, you will be bound by the Settlement and any judgment or other final disposition related to the Settlement, including the Release set forth in the Settlement Agreement, and will be precluded from pursuing claims against Amerex separately if those Claims are within the scope of the Release.

YOU CAN OPT OUT OF THE SETTLEMENT. If you do not wish to be a Class Member and do not want to participate in the Settlement and receive a settlement check, you may exclude yourself, or "opt out" from the Class by completing and submitting a Request for Exclusion.
